INFORMATION TECHNOLOGY, M.S.

WWW.HOOD.EDU/INFOTECH

“I chose Hood College because of the quality of its education and its diverse student body. The classes in information technology I took prepared me to perform my current day-to-day work assignments with confidence and expertise.”

*Maryam Faiz,
Information Technology, M.S.'16*

INFORMATION TECHNOLOGY AT A GLANCE

In today's technology-driven world, computer and information systems managers are increasingly sought after in both the public and private sector. Our program provides you with marketable communications and design skills for high-level careers in IT. Through applied research and hands-on training, you will obtain advanced knowledge of the procedures, tools and standards essential for IT engineering and integration.

UPGRADE YOUR EDUCATION

COMPREHENSIVE CURRICULUM

Coursework in computer programming, data analytics, telecommunications and networking, software development and more.

MULTIPLE TRACKS

Choose between a standard 30-credit option or a master's thesis with field work.

PROFESSIONAL CERTIFICATE

Students may elect to complete an additional certificate in cybersecurity.

CHOOSE YOUR CLASSROOM

Attend the program fully online or in-person with evening classes to fit your scheduling needs.

FLEXIBILITY

Full- or part-time enrollment allows you to work at your own pace.
