Library Plaque Memorial Project

On June 12, 2011, Sandy Rieder ’73 was remembered by several of her classmates with the dedication of a chair in Hood’s Beneficial-Hodson Library and Technology Center. Identified with a brass plaque, this chair is a reminder of Sandy’s influence on the Hood community. Is there someone who has made a difference in your life who you would like to honor?

- A professor who inspired you or helped you to see things in a new and important way
- Loving and supportive parents
