SUMMER HOUSING 2011

A. WHO IS ELIGIBLE?

During the summer of 2011, summer housing for Hood College students will be extremely limited. All students will be housed based on a first-come, first-served basis. Priority will be given to international students, students working on-campus, and/or taking classes, or students doing internships in the area. Summer Research Institute students are guaranteed housing but must apply by the deadlines stated below.

Graduating seniors and those students not returning to campus in the fall will be housed after all current and returning-to-residence students.

B. APPLICATION INSTRUCTIONS

Please fill out the attached application and return it to the Residence Life Office by Monday, April 18, 2011. If you are interested in rooming with a specific person, please indicate so on your application. Both students must request one another in order for the assignment to be made. Singles are available and will be given out based on lottery number/priority order. If you wish to be considered for one of the singles, please indicate so on your application.

The Sunset Apartments will be available during the summer housing period, but only to current Sunset residents who are returning to Sunset in Fall 2011. The Seventh Street duplexes will not be available during the summer housing period. Current duplex residents will be required to relocate to Smith Hall if they wish to stay for the summer.

Information about your room and roommate assignment will be sent out by April 29, 2011.

C. ADDITIONAL INFORMATION

1. From May 22 – August 14, 2011, summer housing will be in Smith Hall.

2. Students who reside in summer housing will be allowed to move into their fall residence halls beginning August 12-14, depending upon when summer facilities projects complete. Students not returning to Hood College housing for the fall 2011 semester must be out of their summer rooms by 5 p.m. on Saturday, August 13, 2011. Please note that we are unable to make exceptions to these dates due to preparations for the fall semester. Students who are leaving summer housing before August 14th, but who are returning to campus for the fall must place their belongings in storage if they will be residing in a different room in the fall.

3. The cost of summer housing is as follows:

   $160 per week – For a space in a double room
   $193 per week - For a single room

   These fees do not include meals.

4. A summer housing contract (which will be sent to the applicant when his/her application is accepted) must also be signed to secure a space for the summer. Canceling the contract before the first payment is made will result in a cancellation charge equal to one week's rent.

   Once a contract has been signed and a student has moved in, students are responsible for payment of the full amount for the period that the contract addresses. Term I housing fees will be due no later than May 20, 2011. Term II housing fees will be due no later than July 1, 2011.

   No refunds will be made. Adjustments will be considered at the discretion of the Director of Residence Life. If the contract is not returned by 5 p.m. on May 6, 2011, the applicant may forfeit his/her summer housing space.
5. Students in summer housing will abide by the Code of Conduct and are expected to live cooperatively with others in residence. Students who violate the Code will have their housing revoked and will not be entitled to a refund.

6. Regular overnight guests are not permitted in residence during the summer housing period. Summer housing residents will be allowed one guest per week who may stay for no more than two days and nights. Guests must be registered with the Residence Life Office.

7. Per the Code of Conduct guidelines, Hood College residence halls are dry during the summer sessions. This means that no alcoholic beverages (open or unopened containers) are permitted in the residence halls during the summer housing period, regardless of your age. Students who violate this policy will be evicted from summer housing.

D. **HOW DO I APPLY?**

Applications will be approved on a first-come, first-served basis, so apply early!
