

Get rewarded for taking care of your smile.

Our Consumer MaxMultiplier® program rewards you for keeping up with your dental care by adding dollars to next year's annual maximum. And it's included as part of your dental plan.

Earn up to
\$350¹
to add to your \$1,000
annual maximum.

Program highlights:

Earn award dollars for visiting your dentist at least once a year.¹

Your award dollars will help to pay for claims that go beyond your annual maximum.

Unused award dollars can roll over each year.

How your award dollars add up:

Here's an example of the award dollars you could earn if you visit your dentist at least once this year.

Plus, if you have a Dental PPO plan and all claims are with network dentists, you'll earn an extra **\$100**.

Your award dollars will be added to next year's annual maximum to pay for qualifying claims.

Program rules:

1. \$1,000 is the most award dollars that can be rolled over to the annual maximum. The total annual maximum cannot go above \$2,000.
2. If your plan has different annual network and out-of-network maximums, the award dollars will be based on the annual out-of-network maximum.
3. Award dollars can be used for claims filed up to 180 days after your benefit period ends.
4. Award dollars can be used for both network and out-of-network claims.
5. Award dollars do not apply to orthodontic services.
6. If you sign up for a UnitedHealthcare Dental PPO or Dental In-Network Only (INO) plan in the last three months of a benefit period, you will have to wait until the end of the first full month of the next benefit period to participate in this program.
7. If you end your coverage, but sign up again within six months with the same employer, you can keep your award balance as long as your employer still offers a dental plan with Consumer MaxMultiplier. If six months or more pass, you will lose the award balance.
8. If your employer decides to change your dental plan, your award balance will move with you as long as the new plan includes Consumer MaxMultiplier.
