**HONORARY DEGREE RECIPIENT**

**BENJAMIN L. CARDIN, J.D.**

**DOCTOR OF LAWS**

**COMMENCEMENT SPEAKER**

You have diligently represented the people of Maryland for more than 50 years.

A proud third-generation Marylander, you began your career in politics the same year that you graduated first in your class from the University of Maryland School of Law, becoming a member of the Maryland House of Delegates in 1967.

You served as a Delegate for 20 years. For almost a decade, you were Speaker of the House, where you led reforms of Maryland's property tax system, educational funding and ethical standards for elected officials.

You entered the national stage of politics in 1987 as a member of the U.S. House of Representatives. You quickly established a reputation for fiscal policy and healthcare legislation, expanding Medicare, pensions and social welfare programs. You were instrumental in authoring bills to increase support and education for foster children, incorporate preventive screenings as part of Medicare and strengthen retirement plans for American workers.

In 2006, you were elected to the U.S. Senate. During your nearly 20 years as a Senator, you championed environmental causes, protecting the Chesapeake Bay, sponsoring resolutions to combat climate change, and finding ways to reduce pollution and ensure that every American has access to clean air and water.

As an advocate for small businesses, you helped write the Paycheck Protection Program, which was critical for providing aid to entrepreneurs nationwide during the pandemic. You have made it a priority to improve access to credit and loans for small business, especially those owned by people of color, women and military veterans.

From preschool to college, you have fought to guarantee equitable access to quality education, backing legislation to fund teacher training programs, mental health support for students, literacy and arts initiatives, early childhood education and student debt relief.

You have also been an exceptional friend to Hood College, securing funding through the 2023 Omnibus Appropriations Bill. These funds, which are aimed at facilitating workforce development through supporting higher education, have been used to establish the Data Driven Frederick Center and the forthcoming Biomedical Research and Training Center here on Hood's campus. As a proponent of higher education, you understand that investing in our students is an investment in the future.

Therefore, be it resolved, for your dedication to the State of Maryland and its citizens, your efforts to better the lives of Americans and your contributions to environmental protections, healthcare, fiscal reform, education and civil rights, the Board of Trustees of Hood College hereby confers upon Benjamin L. Cardin the Doctor of Laws, honoris causa, with all the rights, honors and privileges appertaining thereto. Given under the seal of Hood College, Frederick, Maryland, on this, the eighteenth day of May, two thousand twenty-four.

**HONORARY DEGREE RECIPIENT**

**DR. CHRISTINE L. McHENRY '73**

**DOCTOR OF HUMANE LETTERS**

Your generosity toward Hood College has had a profound impact on our campus community.

You followed in the footsteps of your mother, Gloria Schmitt McHenry '42, and graduated from Hood in 1973 with a bachelor's degree in biology. After earning your medical degree from the University of Pittsburgh in 1977, you began a long career in pediatrics. As a woman in medicine, you were a pioneer.

You combined practice with theory to become both a doctor and an academic. You specialized in medical ethics and worked to promote compassion, competence and patient rights in healthcare. You were a visiting scholar at the MacLean Center for Clinical Medical Ethics at the University of Chicago, served as director of medical ethics at Cincinnati Children's Hospital Medical Center and earned the title of professor emeritus of clinical pediatrics at the University of Cincinnati College of Medicine.

Your vested interest in human rights and dignity for all led you to earn a master's in theological studies from the United Theological Seminary in Dayton, Ohio. During this time, you remained a steadfast champion of your alma mater and served on the Board of Trustees from 1997 to 2005. As a result of these accomplishments, you received the Distinguished Alumna Award in 2013.

Given your unique background, you understood firsthand the important role that spiritual life plays on a close-knit campus like Hood's. In 2008, you endowed the McHenry Dean of the Chapel as a tribute to your parents, Gloria and Tom. Since then, this position has touched the lives of countless students, faculty and staff.

The dean of the chapel is more than a campus chaplain. They act as counselor, mentor and advocate for students from all faiths. This vital role is part of what makes Hood a spiritually and intellectually diverse environment. When students are struggling with life's big questions, when they need guidance on how to navigate complex challenges, they often turn to the dean of the chapel to talk to. This would not have been possible without your selflessness.

When returning to Hood in celebration of your 50th reunion, you recognized a campus need, and since then, have offered philanthropic support to update the acoustics in the Coffman Chapel. Your response to immediate needs, along with your annual support to the chaplain's office, enhances the entire community.

Therefore, be it resolved, for your lifetime of service in the fields of pediatric medicine and healthcare education, your commitment to the well-being of patients and their families, and your unwavering support of your alma mater's spiritual prosperity, the Board of Trustees of Hood College hereby confers upon Christine L. McHenry the Doctor of Humane Letters, honoris causa, with all the rights, honors and privileges appertaining thereto. Given under the seal of Hood College, Frederick, Maryland, on this, the eighteenth day of May, two thousand twenty-four.

**HONORARY DEGREE RECIPIENT**

**ANDREA E. CHAPDELAINE, PH.D.**  
**DOCTOR OF HUMANE LETTERS**

You have tirelessly served as president of Hood College for nine years.

As a first-generation college student, you embody the notion that education is an essential part of achieving the American dream.

Thanks to your visionary leadership, you have strengthened the College and enriched the Hood community through the implementation of two strategic plans. The first, *Moving Together Beyond Boundaries*, expanded academic offerings with new degree programs and the founding of The George B. Delaplaine Jr. School of Business, which includes Frederick's first doctoral program.

You established innovative partnerships with local industry leaders, including Frederick Health, which has been integral to the launch of The Ruth Whitaker Holmes School of Behavioral and Health Sciences. These partnerships not only provide experiential learning opportunities for students in cutting-edge fields, but also address the needs of community members and emerging workforce trends.

Large-scale capital projects enacted under your watch, namely the renovation of Memorial Hall and the Beneficial-Hodson Library and Learning Commons, the creation of the Data Driven Frederick Center and the NeighborHood Counseling Training Center, and the construction of Blazer Hall, have allowed the campus to evolve into a thriving educational hub.

You led the College through the successful *Forging the Future* campaign, resulting in the largest philanthropic effort in Hood's history, with total contributions of \$74.6 million. You were also instrumental in facilitating a \$54 million dollar gift from The Hodson Trust, the single largest gift Hood has ever received. These funds will primarily support scholarships, benefiting students for generations to come.

Your leadership has always been student-centered. Despite the rigorous administrative demands of your role as president, you know your students personally—sometimes even trading places with them during the annual "Chap Swap." The door to your office in Alumnae Hall is always open, and you have never shied away from listening to the concerns of students and doing everything in your power to help them navigate challenges.

During the pandemic, you remained steadfast in your commitment to providing financial aid for students, boosting compensation for employees and prioritizing the health and safety of the entire Hood community. Your impact on the College has been nothing short of transformative.

Therefore, be it resolved, for your accessible and transparent leadership, your dedication to students, faculty and staff, and your forwarding-thinking strategies that have positioned Hood as a premiere institution of higher education in the region, the Board of Trustees of Hood College hereby confers upon Andrea E. Chapdelaine the Doctor of Humane Letters, *honoris causa*, with all the rights, honors and privileges appertaining thereto. Given under the seal of Hood College, Frederick, Maryland, on this, the eighteenth day of May, two thousand twenty-four.

## ACADEMIC DRESS

The custom of wearing academic dress has been handed down from the Middle Ages. In the medieval universities of Europe, where many scholars were also clerics, flowing gowns were standard dress. The hood was originally a cowl attached to the gown, which could be slipped over the head for warmth in the poorly heated buildings of that era.

Today, of course, the cap, gown and hood are purely symbolic and are worn only during academic ceremonies. But each piece of this regalia has a special meaning.

**THE CAP.** The black mortarboard cap with tassel is standard attire for graduates of American colleges and universities. The square cap came into use during the 16th century, and authorities differ on its meaning. One states that it was square to resemble the books that characterize scholars; another suggests that it was derived from the master workman's mortarboard; and a third says that it symbolizes the quadrangular shape of the campus of Oxford, where the cap originated. Those holding the doctorate wear a gold tassel, while all others usually wear a black tassel.

**THE GOWN.** The cut of the gown distinguishes among holders of the bachelor's, master's and doctoral degrees. The bachelor's gown is worn closed and has long, pointed sleeves, while holders of the master's degree wear the gown open with the arms worn through slits in the elbows of the sleeves. The doctor's gown, worn open, has full, bell-shaped sleeves with three horizontal bars stitched across the upper arm.

**THE HOOD.** It is the hood draped from the shoulders that offers the most information about its wearer. By looking at colors and length, one can determine the highest degree held by the wearer, the academic field and the college or university from which the degree was earned.

The inner lining of the hood identifies the institution where the individual earned the degree. Hood College graduates wear a hood lined with blue and grey, the traditional colors of the College. The bachelor's and master's hoods are of the same design, pointed at the base. The bachelor's hood is three feet long with a three-inch border. The doctor's hood is four feet long, of fuller shape and rounded at the base, and the border is five inches wide.

The color of the velvet trim on the hood indicates the field of study in which the degree was earned. Hood awards degrees in Arts (white), Science (gold) and Science in Nursing (apricot) at the bachelor's level; Arts (white), Business Administration (drab), Fine Arts (brown) and Science (gold) at the master's level; and Business Administration (drab) and Organizational Leadership (citron) at the doctoral level. The academic colors are often repeated on the three horizontal bars stitched across the upper sleeve and the velvet panel draped around the neck of holders of the doctorate.

**RIBBONS, CORDS, MEDALLIONS, CLOTH STRIPS.** Many Hood graduates are wearing ribbons or emblems of academic achievement, including completion of the Hood College Honors Program, Departmental Honors or membership in an honor society. The colors of the cords, medallion and cloth strip symbolize membership in various organizations:

# *Alma Mater*

(THOSE WHO ARE ABLE ARE ASKED TO STAND.)

*High tower above us, thy columns so fair,  
Gleaming white in their calm majesty;  
Thus long have they battled the wild storms of time  
And will stand in the years yet to be.  
Though we wander afar from thy sheltering walls,  
Borne along on life's rough surging sea,  
Yet our hearts, Alma Mater, unchanging and true  
Will be loyal and faithful to thee.  
Hood College, above thy dear green ivied walls,  
How fond memories cluster and twine,  
There are friendships so golden that bind us to thee,  
Preparation for life, too, was thine.  
May we never forget thy lessons so true  
But honor and praise thy dear name.  
In our joys and our tears, in our triumphs and fears  
May our lives e'er be worthy of thee.*

*Gertrude B. Hoy, Class of 1912*

**SENIOR CLASS GIVING**

*Every year, members of the senior class make a meaningful gift, which is an opportunity to reflect on their time here and all of the opportunities they have been given. Thank you to all our seniors who participated.*

## THE MCCULLAGH MEMORIAL CARILLON

Our digital carillon system, installed in the Coffman Chapel, made its debut for the 2023 Commencement events. The carillon was a gift from R.J. McCullagh III, Ph.D., in memory of his aunts Jessie McCullagh Smith, Class of 1909; Helen McCullagh McCutcheon, Class of 1914, P'40; and Amy McCullagh Davis, Class of 1922.

## OUTDOOR CEREMONY

We encourage guests to move chairs to where they are comfortable, either to a shaded area on the quadrangle or to one of the residence hall porches. *Restrooms* are available in Blazer Hall, Coffman Chapel, Coblentz Hall (lower level and first floor), Huntsinger Aquatic Center, Nicodemus Athletic Complex and the Ronald J. Volpe Athletic Center. Water stations are available for guests.

## INDOOR CEREMONY (SEVERE WEATHER PLAN)

In the event of severe weather, the Commencement ceremony will be moved to the Ronald J. Volpe Athletic Center. *Tickets will be required for entry.* Live streaming is available on the College's YouTube channel.

‡ Legacy Photo Station

**PROFESSIONAL PHOTOGRAPHY AND VIDEOGRAPHY**

*Whether Commencement is indoors or outdoors, photographers are here to capture graduates, their families and friends on this important and special day!*

**PHOTOGRAPHERS FROM GRADIMAGES WILL BE TAKING THE FORMAL PHOTOGRAPHS DURING THE CEREMONY:**

- As graduates receive their diplomas from President Chapdelaine; and
- In front of a backdrop to the right of the stage with their diploma.

*Five to seven days after the ceremony*, GradImages will send an email notification and a digital proof mailing to graduates that will include a customer number and a link to their photos. If you don't receive this, contact a GradImages customer service representative at [service@gradtrak.com](mailto:service@gradtrak.com).

Order photos online at [gradimages.com](http://gradimages.com), or call 800-261-2576 if you need additional assistance.

Professional photographers will also be in and around the residential quadrangle and Commencement seating area before, during and after the ceremony taking candid shots of the day's events. Links to those downloadable photos will be posted by May 24 at [hood.edu/commencement](http://hood.edu/commencement).

**WE'VE ALSO PARTNERED WITH STAGECLIP!**

StageClip personalized grad video clips capture the moment each graduate crosses the stage. It's a digital keepsake featuring your family's favorite part of the ceremony—you!

Two to three days after Commencement, check your Hood email for your information from StageClip. If you need assistance, contact [talk@stageclip.com](mailto:talk@stageclip.com).
